PART OF OUR 35TH ANNIVERSARY AUTUMN CELEBRATION WEEKEND

Delaware Nature Society
**AUTUMN
at
Abbott's
Festival**

Saturday, October 15, 9 am – 3 pm
Abbott's Mill Nature Center

As a final celebration of Abbott's Mill Nature Center's 35th Anniversary, we are bringing back our Autumn at Abbott's Festival, which was previously held every fall for 24 years. Historically, this festival has featured a variety of artisan craft demonstrators, live music, children's activities, hay rides, live animal shows, and tours of our historic Abbott's Mill. For the 35th, we're raising the stakes by bringing in local farm vendors, food truck fun, a Dogfish Head beer garden with lawn games, yoga sessions with the Free Spirited Foundation, an aquatic touch tank with Phillips Wharf Environmental Center's Fishmobile, and guided SUP & kayak trips on Abbott's Pond by Quest Adventures.

Members FREE | Non-members: Adults \$5, Children ages 5+ \$3
