

PART OF OUR 35TH ANNIVERSARY AUTUMN CELEBRATION WEEKEND

Meal *at the* Mill

at Abbott's Mill Nature Center, Milford

Guests will arrive at twilight, to enjoy a keg-conditioned cocktail from Dogfish Head while strolling the tree lined boardwalk and touring our preserved, working grist mill. Then, conjoin for a family-style, three-course seated dinner under the stars. Our menu will feature delectables grown on Delaware Nature Society's own Coverdale Farm Preserve, in Greenville, Delaware with a menu pairing by Abbott's Grill and Dogfish Head Craft Brewery ales. Meal at the Mill will highlight the bountiful fall season while honoring the historic and cultural importance of mills in food production. This dining event brings together conservation-minded people in spirit of raising funding for the education, advocacy, and conservation activities of Abbott's Mill Nature Center.
