

# DUPONT NATURE CENTER

## *Environmental Art Showcase*

Show us what the Delaware Bay means to you... literally!

This project invites artists of all ages and backgrounds to submit their original works of art to be on display at the DuPont Nature Center during the 2026 visitation season.

### **Who can participate?**

Anyone! Participants can have any level of experience as an artist, and be any age.

Artists under 18 must abide by the official rules detailed on our website at [de.gov/dnc](http://de.gov/dnc).

### **What type of artwork is allowed?**

Many media types will be considered, including illustrations, paintings, photographs, sculptures, and more. Please see our submission rules and guidelines for more details.

### **Themes**

- Shoreline Serenity
- Delaware Bay Connections
- Unique Shapes, Sizes and Colors

Art pieces selected for each theme will be displayed at the DuPont Nature Center for a rotating period.
